

Mahamadul Hasan Shaikat

A passionate Flutter, Cyber Security & Machine learning from Bangladesh

Profile

I am MD Mahamadul Hasan Shaikat. I am currently studying Computer Science and Engineering at Southeast University. I am interested in CSE and I hope to pursue a career in this field.

I am a hardworking and dedicated student. I am confident that I have the skills and knowledge necessary to succeed in engineering. I am always willing to learn new things and eager to face challenges. I am a team player and work well with others, but I can also work independently when necessary.

Certifications

- Attending “Corporate Communication” organized by Department of Career & Professional Development Services(CPDS) & Bangladesh Skill Development Institute.
- Completed the Certification Program in Google Flutter & Dart offered by The Digital Adda.
- Successfully completed the Certification Program in Zero to Hero in Android offered by Bongo Academy.
